INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Sir:-

Relative to your application for participation in the land
offering from the judgment of the Court of Claims in favor of the
Eastern Cherokees, please state why your name and those of your
parents and grandparents do not appear on any Cherokee roll. If
you claim they were enrolled, they must have been enrolled under
some other names and you will have to furnish this office with
such names.

Kindly trace the source of your Cherokee descent through each
ancestor from the source through which you claim, giving the Indian
and English names, maiden and married names of each one, and
stating the degree of Cherokee blood you claim each one possessed.

You mix up the names of your grandparents so that it is hard
to trace your descent at all by the application made. Be careful
to set out each name in full and give all the information you
possibly can tending to establish your claim.

Were either of your parents ever held as a slave? If so,
were they held by white people or Indians?

Kindly reply promptly and refer to Application #17709.

Very respectfully,

Special Commissioner.

No. 17709

March 20, 1908.

C. C. Clover, Esq.,
Joplin, Mo.

Sir:-

Your letter relative to the claim of Joshua Cummins received. We are well aware that his application is No. 32152, but they are always grouped with lower numbers and his is with No. 17709.

We have so many requests for duplicate application blanks, that we have made it a rule not to furnish any to anyone. We will, therefore, appreciate it if you will kindly see that the applicant furnishes the desired information, to wit: Was his mother ever held as a slave? If so, was she owned by Indians or white people? Why was Joshua Cummins never on the roll of Cherokees of 1851, and why was not his mother and grandparents on his mother's side not on the rolls of 1835 and 1851? Their names do not appear on any Cherokee roll as given in the application. Kindly state again the English and Indian names of Joshua Cummins' mother and both grandparents on his mother's side. In fact, give all the information the applicant can possibly secure that will throw any light on his mother or identify him or his ancestors on the roll.

very respectfully,

FDR/LJC

Reasons: *Claimant was born in 1851 and states that his mother was born near Fort Gibson I.T. but he does not give the date of her birth. While there is nothing to show that his mother ever lived with the Indians or was a member of the tribe and none of the ancestors given appear on any roll, still if claimant's mother ever lived with the Indians she very likely was born out West prior to 1835 and consequently was an Old Settler. Claimant was never enrolled with the Cherokees and there is nothing to show that he ever lived with them.*

Sir: Answering your letter of March 28th 1908 I will say that Applications were filed by Ed. Williams for himself and the others.

Nancy Williams was our mother and she was entitled to a claim. She is dead and we (Ed Williams, Emiline Williams and James M Williams) are her children. Our claim is all proved and card receipts were received by us. You wrote to Brother Ed. Williams concerning my sister Emiline whether she was married or not. I received a card on about Feb 20th last and lost it. It was sent to Oronogo Mo. and Ed sent it to me here. Our postoffice was Oronogo Mo.

I am not now able to give you the numbers of the claims & think the folks at Oronogo Mo. have the numbers but I have not been able to get them to send them to me. Please write me further about this. I should receive other card receipts as the one I did receive is lost.

Yours Very Respectfully

My Dear Mr. Miller:-

I hand you herewith a letter from a friend of mine E. T. Thompson of Bol-
laire Kansas and wish you would give him the information he desires in reference to
the claims, of the persons in whose behalf he writes, in the Eastern Cherokee fund.

With best wishes for the new year, I am

App. #32168.

January 11, 1910.

Honorable Charles Curtis,
United States Senate,
Washington, D. C.

Sir:

I have the honor to acknowledge receipt of your letter of January 10, 1910, inclosing a letter to you from Mr. E. T. Thompson, of Bellaire, Kansas, relative to the claims of James M. and Emeline Williams for participation in the Eastern Cherokee Fund.

In reply you are advised that it appears from the applications and correspondence in these cases that the ancestors of these claimants if of Cherokee descent had left the Eastern Cherokee domain prior to 1835 as members of the Eastern Cherokee tribe.

The census taken in that year was expressly referred to in the treaty as the guide to determine who were to participate in the fund arising from the treaty.

These claimants and their immediate ancestors do not appear to have been enrolled in 1851, and the fact of their connection with the Eastern Cherokee tribe is not established. The claims have therefore been reported by me for rejection.

I am returning, herewith, Mr. Thompson's letter.

Very respectfully,

Hon. Guion Miller,
Special commissioner,
Washington, D. C.,

Dear Sir:

By a mistake two applications for share in the Cherokee fund have been filed in behalf of Mrs. Nannie E. Thompson of this city. There was such a long delay in receiving an answer to her first application that she feared her time for filing might expire and that this application might have miscarried that she filed a second claim. These claims are numbered 32170, and 37037 respectively. Please cancel the last application, and permit the first application 32170 to stand.

She asks me to state for her that she has most excellent proof to submit in support of this claim.

Hoping a reply at your convenience,

I am,

Mrs. Nannie E. Thompson

Nannio E. Thompson,
327 Mc Ghee Ave.,
Knoxville, Tenn.

Madam:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, state where you resided in 1882, and why you were not enrolled at that time.

Why was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1834-35, if living at that time? Where were your grandparents on the side through which you claim residing in 1834-35?

If your parents or grandparents were slaves, please state whether slaves of Indians or white people.

Very respectfully,

Special Commissioner

Mr. Guion Miller.
Special Commissioner,
Court of Claims.

My Dear Sir :- In reply to your correspondence of
of the 10th. inst. I respectfully give you the following in-
- formation. I was residing in Knoxville, Tenn. in
1882. My reason for not being enrolled at that time was
the fact of not knowing that same had to be done. I suppose
by my Grandmother (Abbie Link) and my Mother, being slaves
under white people and uneducated is why they were not enrolled
in 1851. My Grandmother resided in Green Co. in 1834-5.
My Mother resided in Cleveland, Tenn. Bradley Co. in 1851.
I never heard my Grandmother say where her Father resided
in 1834-5. She never told me anything about her Father be-
-ing enrolled.

Respectfully yours,

Wm. Mammie E. Thompson

Dear Sir:-

Yours to hand, and
contents noted.

I resided in Union Co., Ga.
in 1852, and did not have
an opportunity to be enrolled
at that time.

I do not know why my
parent through whom I
claim was not enrolled
in 1851, and she was
residing in 1834 at
Cherokee, Ga.

My grandparent on the
Side through which
I claim resided in
1834 at Cherokee, Ga.
I do not know whether

I can give you plenty
of proof that I have always
claimed to be a descendant

Misc.

Melissa Burton, being duly sworn, deposes and says:

My name is - Melissa Burton. My age is 51 years. I claim Cherokee Indian blood. I live in Wagoner County. I have lived here ^{not} 14 or 15 years; was born and raised ~~there~~ in Arkansas. I was enrolled by the Dawes Commission. My people joined the Watts Association which was rejected by the Dawes Commission. I never got any money. My parents said we had the blood and were driven from Alabama to the Territory, and Arkansas. I did not apply for the strip money. I have never been enrolled. I get my blood from my mother who is dead. She has been dead about 13 years. I think she was about 58 or 59. She did not draw any money in 1851. She was born in Alabama. I don't know exactly when she left there. It was when the Indians were driven away. She got her blood from her mother, Mary Couch, which was her married name. Her maiden name was Baker. She came West with my mother. I don't know whether she was ever enrolled. They went to Arkansas when the Indians were driven from the East and they never took the land here but took up a homestead in Arkansas, and I suppose that is the reason they may not have been enrolled in 1851. They never joined any other tribe that I know of. I have mingled with the Indians but never went with the regular full-bloods. My brothers and sisters are Mary Stewart of Muskogee, Andrew Orme and Pete Orme and Ben and Zonie and Fannie. Matthew Couch, Andy Couch, or Bode; Viney Wagoner, nee Couch; Pete Couch and Andy and Mat are probably dead; (my mothers brothers and sisters.) They all came West. I don't remember any brothers and sisters of my grandmother. They were regarded as Old Settlers.

Jasper Brady, being first duly sworn, deposes and says:

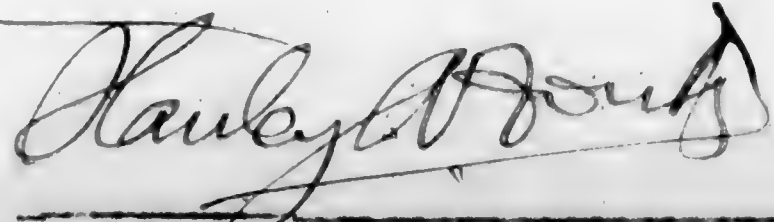

My name is Jasper Brady and I reside at Flowery Branch, Ga. I was born in Bank Co., Ga. in 1852. I claim relationship to the Cherokee Indians through my mother, Peggy Vaughn, who was a quarter Cherokee Indian. She was born in Banks Co., Ga. My mother was born about 1824. My mother's father, George Vaughn, was a half Cherokee Indian. My mother's people were born in South Carolina, I do not know what section, and they moved to this part of the country long before I was born. I have heard my father speak of the Indians being driven out of this part of the country. I do not remember my grandfather visiting the Indians, but the Indians have visited us, and they claimed to be Cherokee Indians. My grandfather could speak the Indian language and I have heard him talk with these Indians who visited us in their own language. I know of no enrollment or any money having been received by my grandfather. My people were always recognized as white people.

Sir:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Shoshones, please state clearly the name of the ancestor through whom you claim the right to share in this fund? Why were your parents never enrolled? Why have you never been enrolled? Were any of your grandparents ever enrolled? Give the full names of your grandparents on both sides? Have any of your ancestors lived with the tribe since 1800? Were any of your ancestors ever slaves? When did Willie Wightover, your grandmother, die?

Give any other information obtainable tending to establish your right to participate in this fund.

An early reply will be appreciated.

Very respectfully,

EST/110.

Chief Clerk.

Miscol.

James Maston being first duly sworn, deposes and says:

That I am 35 years of age and live at 304 Spring St., Chattanooga, Tenn. I claim Indian descent through both parents. My mother was born in Blount Co., Tenn. and raised in Charleston, Bradley Co., Tenn. My father was held as a slave but my mother never was. None of my mother's ancestors were ever held as slaves. My mother's parents were raised in Blount Co., I think. They claim to belong to the Cherokee tribe. She never lived with the Indians nor was she ever on any Indian roll. My grandparents were never enrolled that I know of.

Signature of Witness.

Subscribed and sworn to before me at Chattanooga, Tenn. this 18th day of June, 1908.

Ass't to Special Commissioner of
the Court of Claims.

The applicant to all appearances is a full blooded negro except a slight showing in the skin that there might possibly have been some Indian. His mother shows considerable of the Indian in her features and general appearance, but if any of her ancestors were ever parties to these treaties or connected with the tribe, they have not been able to show it.

#32213

Miscel.

Lucinda Goud being first duly sworn on behalf of James Maston,
deposes and says:

That I am 57 years of age and live in Rushtown, Tenn. I
am the mother of James Maston. I have not filed any claim. I
came to file but it was too late. I was born in Blount Co., Tenn
but was raised in Charleston, Tenn. My parents were born and
raised in Blount Co. Don't know where my grandparents were born
but they were in Blount Co. My Neither of my parents were held
in slavery. None of my ancestors that I know of were held in
slavery. My mother sent me a lady by the name of Pierce, a
white woman, and I was bound out. I was never a slave, just bound
out. I was just a year and six months old then. I lived with
Mrs. Pierce until I was married and that was after the war. I
am part Indian and part colored. My father was an Indian and my
mother was a colored woman. My mother claimed to belong to the
Cherokee tribe. I never heard any one say that my mother lived with
the Indians. I am recognized in this community as a colored
person, and so is my son. My mother and father were living in
Blount Co. in 1835 and 1851. Never heard of my father living with
any Indians.

Martha J. Brown, for her children,
says: being duly sworn, deposes and

My name is Martha J. Brown. I am 38 years old. I do not claim any Indian blood myself. My children are Bennie Brown, Martha Brown, Elisha Brown, Ella Brown and Katie May Brown. They claim through their father. He is dead. His name was Aaron Brown. He has been dead eight years. He was about 43 years old. He lived in Pottawattamie County, Oklahoma. He had lived in this county but a short time before his death. He had lived in the Chickasaw nation before that. He was born in Tennessee. I think he left Tennessee more than forty years ago. He claims about 1/16 Eastern Cherokee blood. He got his blood from his mother, Mary Jane Brown, or Mary Jane Hall before marriage. (Some have said that her maiden name was Cathag). They came to Washington Co., Arkansas. In 1851 I expect they lived in Tennessee. I think she was born and raised in Tennessee. Dickson county I think it was. I think Mary Jane Hall got her Indian blood from both parents. I don't know the names of her mother and father. (Elizabeth Hall will be the grandmother of Aaron Brown.) I do not know that my husband Aaron Brown was ever enrolled. About 15 years ago they were talking about being enrolled. They said some of the old names were on the roll. I don't remember hearing about the enrollment of the Five Civilized Tribes six or seven years ago. I don't remember ever hearing about an enrollment of 25 years ago. He never said anything about getting any money from the Government. I do not know that Mary Jane Hall ever got any money from the Government. My husband's brothers were Tom Brown, and Jimmie Brown - live over in Seminole Co., Okla. They came from Pottawattamie Co. They came also from Tennessee. Another brother is Martin Brown of Pottawattamie Co. Another brother named Willie Brown, of Walnut Ridge, Ark. My husband's people have always claimed to be Cherokees. I do not know that Mary Jane Brown had any other name. Mary Jane Hall is still living with her son Tom Brown. They have all filed claims, but I cannot give their numbers. Arch Brown was my husband's half-brother.

I claim to be connected to the Cherokee tribe of Indians. My mother had Indian blood. I think it was Black Chocow. My mother had not a slave. My father died in 1868 and was exact a white good man. He was born in Wake Co., N. C. My grandfather was born and raised in that county too. My father and grandfather never got any money or land from the Govt. on account of their Indian blood. I never heard of them being enrolled. I was living in Wake Co., N. C. in 1862. I never have gotten any money or land from the Govt. on account of our Indian blood. I never heard of an enrollment before this one in my life. That is the reason we have never been enrolled. My father and my grandfather were known as Indians. I know my grandfather and he never said anything to me about the Indians. My grandfather was born in Wake Co. and lived there all his life. I never heard of his living with the Indians. My father or grandfather never said anything to me about the Indians being driven away from this part of his country. They were not driven away with the Indians. As far as I know my grandfather was civilized around there with the white.

I claim to be connected to the Cherokee tribe of Indians. My mother had Indian blood. I think it was Black Choctaw. My mother was not a slave. My father died in 1868, and was ~~about~~ a middle aged man. He was born in Wake Co., N. C. My grandfather was born and raised in that county too. MY father and grandfather never got any money or land from the Govt. on account of their Indian blood. I never heard of them being enrolled. I was living in Wake Co., N. C. in 1882. I never have gotten any money or land from the Govt. on account of our Indian blood. I never heard of an enrollment before this one in my life. That is the reason we have never been enrolled. My father and my grandfather were known as Indians. I knew my grandfather. He never said anything to me about the Indians. My grandfather was born in Wake Co. and lived there all his life. I never heard of his living with the Indians. My father or grandfather never said anything to me about the Indians being driven away from this part of this country. They were not driven away with the Indians. As far as I know my grandfather was civilized around there with the white.

Katie Pope, being first duly sworn, deposes and says:

My name is Katie Pope and I reside at Murrayville, Ga. I am seventy-eight years of age and was born in Hall Co., Ga., where I have since lived. I have known L. M. Hayes ever since he was born. I knew his father, Samuel Hayes, ever since he was a little boy; I also knew Hannah Hayes, his mother, for a number of years. I have often heard her say that she was a Cherokee Indian. She showed the Indian very plain. People, ever since I have known, always recognized Hannah Hayes as an Indian and we always have heard that she was descended from a Cherokee Indian. Hannah Hayes lived near me in Lumpkin Co. in 1851. She came from South Carolina. I never knew of her people having been enrolled, nor never heard of them receiving any money or land from the Government. Her name before her marriage was Hannah Weeks.

Appl. #32268

April 22, 1908.

William H. Roberson,
Nowata, Okla.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, state where the parent through whom you claim resided in 1834-35, if living at that time.

Where were your grandparents on the side through which you claim residing in 1834-35?

If your parents or grandparents were slaves, state whether slaves of Indians or white people.

If you were enrolled by the Dawes Commission, state your number, and indicate on what roll your name was placed.

Very respectfully,

Special Commissioner

CHB/ALS

William H. Robinson, being duly sworn, deposes and says:

My name is William H. Robinsons. I am about 56 years old. I live in Coo-ie-scoo-ee District, and have lived here 30 some years but lived in the Delaware District before that. I am part Indian and part colored. I was enrolled with the Dawes Commission but was denied, as they claimed I did not return in time after the Civil War. The case is pending before the Court of Claims, as I was enrolled before. I was enrolled on the Wallace Roll. I do not know about the Hester Roll. I get ~~half~~ my blood on both sides. My mother was Ann Hinney Dimrey. She is dead. She lived here in the Territory, in Coo-ie-scoo-ie District and I think in Sequoyah previously. I do not know whether she was enrolled in 1851. She would be about 60 if living. She came from Tennessee. My grandmother on my mother's side was Elizabeth Dimrey and grandfather Stephen Dinrey. My mother or my grandmother were not slaves. I don't know whether they were considered Old Settlers, but have been here a good while. I do not know whether they ever drew any money. My grandmother on my mother's side I think came from South Carolina.

My father was Hinford Robinson. They came from North Carolina. I cannot tell when they came from there. I think about 1835 or 1837. My father and mother were married. My father was never enrolled to my knowledge or received any money that I know of. My father was colored. My mother and father both had colored blood. My father was about 1/3 and my mother 1/4 Cherokee. My father's mother was Betty Jacob, I think, before marriage. Zachariah Robinson was my grandfather on my father's side and Sally Jacobs was my ^{great} grandmother. They lived in North Carolina. Betsey Robin on was my grandmother. None of my father's people were slaves.

Wm. C. Hunter being first duly sworn, deposes and says:

My name is Wm. C. Hunter. I live at Joplin, Mo. I was born in 1862 in Atchison Co., Kansas. I claim my Cherokee blood through my father James C. Hunter. My father was born in Cherokee Co., N. C. in 1834. He was 7 years old when he left N. C. He came with his folks from N. C. They left of their own accord. My father, I think, mostly lived with the Indians. I could not say whether he was a recognized member of the tribe or not. He never received any money or land from the Govt. on account of his Indian blood. It was his mother that was related to the Cherokee Indians. Her name was Sallie Jones. I could not say where or when she was born. I could not say whether she lived with the Indians as a member of the tribe, I think she left N. C. when my father did. I never heard my father speak of the Treaty of 1835. I think my grand other was recognized as an Indian. I am positive that she was not driven out of N. C. with the Indians. I don't know whether it was my great grandfather or my great grandmother that was related to the Indians. My great grandfather's name was David Jones. I could not say whether he was an Indian or not. I don't think that I told the man who made out my application that I claimed through my great grandfather, David Jones. I made an application before the Dawes Commission, but was rejected. 76

Name Mary Fries and 5 children. Residence: Midland, DeWitt Co. Ark.

Reasons: I claim through my mother, Sarah C. Odum, and grand mother Sarah Jane Haynes - neither of whom appear to have been enrolled in 1835 or 1861. In a letter of June 27, 1908, addressed to the Commission, - claimant states that ~~her~~ parents and grand parents lived in Smith Co. Tennessee, in 1834 and 1835. - and in testimony of Martha Brotherton, a sister, No. 3746 taken at Fort Smith Ark., Sept. 15th 1908. - Martha Brotherton states that her mother and grand mother lived in Smith Co. Tennessee in 1835 - and that her great grand father - James Kirby, the alleged Cherokee full blood, was born in Mississippi. Smith Co. Tennessee, is far removed from the Cherokee domain - and there were no Cherokees living in Mississippi at that time. (any way, these ancestors could not have been parties to the treaty of 1836 and there is no testimony connecting them with the treaty either by descent or association at the time of the treaty, or since.)

Geo. W. Jetton being first duly sworn deposes and says:

My name is Geo. W. Jetton, and I live in Mesquite, Tex. I am 50 years old. I was born in White County, Marshall County, Ala. I came west in 1893. I got my Indian blood through my mother, Eunice Jetton, and she died about 1859. I have understood that my mother was 1/4 Cherokee Indian. I was always taught that she was born in Ala. My mother got her Indian blood from her mother, Rebecca Tony. I have heard them talk and they always said that my grandmother's name was Tony or Tony. It was either my grandmother or great grandmother who was named Rebecca. The other was named Elizabeth. I got these names from an aunt of mine, the mother of Byron Beam, who is now present. Her name was Elizabeth Beam. I understood that my mother's mother lived and died in Ala. probably Marshall County.

I know R. R. Potts, he came to my house down here in Tex. about 6 or 7 years ago, and stayed at my house nearly a week. He got some of my money from which I have never received any benefit. He gave his Post Office as White Church, Cowskin Prairie, Indian Territory. He would not sign his name to any papers whatever. Said he could write, but was not allowed to.

In re #32297.

Thomas J. Evans being first duly sworn deposes and says:

My name is Thomas J. Evans, and I live in Dallas, Tex. I am 70 years old. I know Geo. W. Jetton, he is my son-in-law. I know Byron Beam, and I knew his mother, Elizabeth Beam. She lived within 3/4 of a mile of us in Marshall County at the time of his birth. I always understood that Elizabeth was of Indian descent. I think she was 1/4 Indian. I have heard that she was the daughter of an Indian woman named Toney. This Toney woman lived and died in Marshall County. I think the Indians lived in Marshall County, Ala. as the house that my father lived in was built by the Indians. I have heard of Creeks as well as Cherokees living in Marshall County, but being small I never paid much attention to this.
